

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

CYMEYON V. HILL,
Plaintiff,

v.

NATURAL VISION MEDICAL GROUP,
et al.,
Defendants.

Case No. [21-cv-07600-YGR](#) (PR)

ORDER OF DISMISSAL

This federal civil rights action¹ will be dismissed as duplicative of another pending action, *Hill v. Kay*, Case No. 21-cv-05997-YGR (PR). The Court will allow plaintiff to only pursue one action, and thus it will screen the earlier filed complaint in *Hill v. Kay*, Case No. 21-cv-05997-YGR (PR), in which plaintiff pursues an action based on a similar claim of deliberate indifference to his serious medical needs against the same defendants (Dr. Kay and the Natural Vision Medical Group) stemming from an incident on July 12, 2021 involving defendants' failure to treat plaintiff's left eye injury and resulting severe eye pain/partial blindness. For the foregoing reasons, the complaint in the instant action is DISMISSED as duplicative.

The Clerk of the Court shall close the file.

IT IS SO ORDERED.

Dated: February 3, 2022
